

BAHAMAS MARITIME AUTHORITY

BMA INFORMATION BULLETIN No. 12

AN OFFICER'S GUIDE TO THE MERCHANT SHIPPING LEGISLATION OF THE BAHAMAS

The above publication has been prepared to provide senior officers on Bahamian registered ships with a knowledge of relevant legislation as required by Regulation I/10 of the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, 1978, as amended in 1995.

One copy for each ship is being despatched to owners and managers as listed in our current records. Owners and managers are requested to have the Guides placed on board their ships and brought to the attention of senior officers. If you do not receive sufficient copies for all ships under your management, please let us know and we will despatch additional copies. An additional copy is being provided for owners use, also free of charge.

The Guide is being supplied initially to each ship and owner free of charge.

If you wish to have additional copies, please order directly from Miss P Gooding, by telephone on [+44 20 7264 2572], or by facsimile on [+44 20 7264 2579]. The charge for additional copies is UK £10 or US \$15.

Copies of the Guide will be sent to authorised inspectors along with the new guidelines on inspections which will be issued shortly.

Inquiries relating to the Guide may be made to the Authority by telephone on [+44 20 7264 2550] or by facsimile on [+44 20 7264 2579].
