**STOWAWAYS INCIDENT REPORT**

Recommended Practice 4.7.1 of the Convention on the Facilitation of International Maritime Traffic requests the submission of report of stowaways to the International Maritime Organization.

A stowaway is defined as a person who is secreted on a ship or in cargo which is subsequently loaded on the ship, without the consent of the shipowner or the master or any other responsible person, and who is detected on board the ship after it has departed from a port, or in the cargo while unloading it in the port of arrival, and is reported as a stowaway by the master to the appropriate authorities.
