
International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001 (Bunker Convention)

Notice to ship owners, managers, Masters, Approved Nautical Inspectors, Recognised Organisations and surveyors

This Notice supersedes BMA Information Bulletin No.112

1. Purpose

- 1.1. This Notice provides the Bahamas requirements related to the International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001 (BUNKER Convention).
- 1.2. This Notice also describes the application process for the issue of Bunker CLC Insurance Certificates to Bahamian and non-Bahamian ships.
- 1.3. This Notice should be read in conjunction with The International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001.

2. Application

- 2.1. The Convention applies to pollution damage and measures taken to prevent or minimise damage, caused by any bunker oil on board, including lubricating oil, or originating from the ship.
- 2.2. The Convention applies to all vessels over 1,000 gross tonnage, with minor exceptions.

3. Introduction

- 3.1. The International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001 (Bunker) was adopted on 23 March 2001 and entered into force for The Bahamas on 21 November 2008.
- 3.2. The Bunker Convention requires that The Bahamas, as a State Party, issues appropriate Certificates of Insurance to Bahamas registered vessels.

- 3.3. The Bunker Convention requires the registered owner(s) of a ships over **1,000 gross tonnage** to maintain insurance or other financial security to cover their liability for bunker oil pollution damage.
- 3.4. The Bunker Convention requires ships of State parties and those trading to any State Party to carry a Certificate of Insurance (Bunker CLC (BCLC) Certificate), issued by a State Party, evidencing that acceptable insurance or other financial security is in place.
- 3.5. The Bahamas is prepared to issue BCLC Certificates for ships registered in States that are not party to the Bunker Convention, provided that the BMA is satisfied that the contract of insurance or other financial security satisfies the requirements of the Bunker Convention.
- 3.6. BCLC Certificates must be carried on board applicable ships at all times. Ships found not to be in possession of a valid BCLC Certificate may be detained and/or the owner, master or operator may be liable to a fine of up to \$120,000 (one hundred and twenty thousand dollars).
- 3.7. A BCLC may be issued for insured parties where insurance cover is provided by:
 - i. Protection and Indemnity Club which is a member of The International Group of P&I Clubs; or
 - ii. Member of an insurance body/group of similar international standing; or
 - iii. Banking Corporation or Financial Institutions of similar international standing.
- 3.8. Proof of Insurance or other Financial Security must be provided in the form of:
 - i. A 'Blue Card' – usually issued by P&I Clubs; or
 - ii. An 'insurance certificate'; or
 - iii. A 'Financial guarantee Certificate'.
- 3.9. The certificate showing proof of insurance cover must indicate:
 - i. Name of Registered Owner
 - ii. Principal Place of Business of Registered Owner (Note that this is not necessarily the same as the registered office of the Owner)
 - iii. Name of Insurer or Guarantor
 - iv. Principal Place of Business of Insurer or Guarantor
 - v. Duration of Security
 - vi. *"Certificate furnished as Evidence of Insurance Pursuant to Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001"*
 - vii. Name of Ship
 - viii. IMO Ship Identification Number
 - ix. Distinctive Numbers/Letters
 - x. Port of Registry

- xi. *"This is to certify that there is in force in respect of the above-named ship while in above-named ownership a policy of insurance satisfying the requirements of Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001"* (the Convention)
 - xii. Insurance cover will not cease before three months has lapsed from the date on which notice of termination is given.
- 3.10. For compulsory insurance purposes, a "Blue Card" issued by a recognised Protection & Indemnity Club, which is a member of the International Group of P&I Clubs, or banking corporation or financial institution of similar international standing, which can be verified, will be evidence of insurance cover being in place and will be used as the basis for the insurance of a BCLC Certificate by the BMA.

4. BCLC Certificates

4.1. Bahamian ships

- 4.1.1. All Bahamian ships of more than 1,000 gross tonnage require a valid BCLC Certificate attesting that insurance or other financial security is in place to cover the registered owner's liabilities under the Bunker Convention.
- 4.1.2. BCLC Certificates for Bahamian ships must be obtained only from the BMA. Please see paragraph 5.
- 4.1.3. Where the registry of a Bahamian ship has been suspended as a result of registration in a foreign country for the duration of a bareboat charter in accordance with section 25 of the Merchant Shipping Act, the ship will be deemed a non-Bahamian ship and subject to the requirements of the State of the ship's registry. BCLC Certificates, if required by the State of the ship's registry or if the ship is trading to a State Party to the Bunker Convention, may be issued to the ship in accordance with paragraph 4.2.2.

4.2. Non-Bahamian ships

- 4.2.1. Non-Bahamian ships of more than 1,000 gross tonnage calling at ports in The Bahamas require a valid BCLC Certificate attesting that insurance or other financial security is in place to cover the registered owner's liabilities under the Bunker Convention.
- 4.2.2. BCLC Certificates for non-Bahamian ships must be:
 - i. For a ship registered in a State Party, issued by or under the authority of that State;
